May 21st, 2022

9:00AM, 12:00PM, 3:30PM, 6:30PM

Queen Creek

Performing Arts Center

22149 E Ocotillo Rd, Queen Creek AZ 85142

Welcome to our 9th annual recital!

We are thrilled to present to you “What’s Poppin!” This is the first time since 2019 that we have been able to open our show with a large group production number, 67 total dancers to be exact! We hope you enjoy it as much as our dancers have loved performing it all season at competition. It has won many awards and we think you are going to love it too!

Our show would not be possible without our talented staff of instructors, our amazing front desk personnel, loyal parents, and the help of many volunteers. Thank you to everyone that has helped around the studio throughout the year and to all of those working behind the scenes today to help our show run smoothly. You all are greatly appreciated!

Today, you will see about 1500 costumes during our 4 shows. With that many costumes there are bound to be alterations required. This year we didn’t have the luxury of returning for different sizes, but we were not worried because we have our amazing, talented, sewing genius, Ms Kris who has worked many miracles this season. Thank you, Ms. Kris, for making sure each one of our dancers can feel confident up on the stage today! We are truly blessed to have you in our lives!

Sit back and enjoy the show!

We look forward to seeing you back at the studio this summer and for our 10th season that will begin August 1, 2022

Thank You

MaKenna McGee

MaKenna has been dancing since she was 3 years old when this studio location was Jeanne's and Miss Angie was her first teacher. She has continued to be with NuEvolution since day 1! At 3 she would cry and didn't want to dance because she was tired, but we wouldn't let her quit! Years later it's her love and passion! Her favorite style of dance is lyrical/contemporary. She also has had the chance to dance with her 2 sisters over the years! MaKenna is graduating from Basha High School and had the privilege to be a Basha High Pommie for the last two years. She loves to perform and bring the energy to a football game!

After school MaKenna will continue her passion/job as a senior and wedding photographer! She has been a photographer for 4 years now and loves to bring joy to people's lives through their photos. She also plans to attend aesthetician school in the fall!

We are so very proud of MaKenna and the amazing daughter, sister, friend, and dancer she has become! We can't wait to see the awesome adventures that await you!

We also would love to thank Angie and Rashell and all the staff for loving MaKenna and our family like their own! There is no place like NuEvolution where you will find a dance family like we have! Thank you for all the many years and many more to come! We love you guys!

Aurora Poland

Aurora started dancing at age five. She trained in Jazz, Hip hop, Ballet, and Tap, till age 12 when she took a short break from dance. She then joined her high school's dance company team. She became very excited about dancing again when she was given the opportunity to choreograph dances for herself and her team.

She then joined NuEvolution and worked to pay for it on her own. She has learned so much in her short time at the studio. Things that far exceed just dancing and for that we're grateful. After graduation Aurora plans to go to Mesa Gateway Community College to study Sonography. She hopes to one day be a Pediatric Cardiac Sonographer.

Aurora has loved her time with NuEvolution. She will be so sad to leave behind all the amazing teachers and friends she has made. We are so thankful for you all.
