Dear Dance Families,

As we celebrate our 10<sup>th</sup> anniversary today, we wanted to take a moment to express our deepest gratitude for the privilege of teaching your children this dance season. It has been an absolute pleasure to work with each and every one of them, and we are so grateful for the trust you have placed in us to help them grow as dancers and individuals.

Throughout the year, we have been amazed by the dedication and hard work of our students. Their passion for dance has been inspiring, and we are so proud of all they have accomplished. It has been a joy to watch them develop their skills, gain confidence, and form friendships with one another.

We would also like to extend our heartfelt thanks for your support and encouragement throughout the year. Your commitment to your child's dance education has made a significant impact on their progress and success.

As we come to the end of another dance season, we want to wish you all a wonderful summer filled with joy and happiness. We look forward to seeing our returning students for our summer session of great classes and dance camps and welcoming new dancers to our dance family.

Thank you again for your partnership, and for allowing us to be a part of your child's dance journey. We hope you enjoy the show!

With much gratitude,

And we are truly glad she did. we've enjoyed every moment of watching her become more confident in herself and her abilities. ## Jordan Hampton

Jordan has been dancing since the age of three and entered the competition dance world at age 5. Jordan joined Nuevolution this year, her senior year, as both a dancer and as a teacher.

Jordan lived in Illinois before moving to Arizona in 2018. In Illinois, Jordan spent all of her time in the studio and in a competitive world, earning both a national champion and national title winner award. Jordan currently attends Basha High School and has danced for her High School Dance team throughout her high school years and served as the team's Vice President.

Beginning this summer, Jordan will attend Pima Medical Institute to become a Physical Therapy Assistant. We are so excited for Jordan's next journey and are so proud of her!

Jordan was excited to join the NuEvolution family this year. We wholeheartedly thank Tayla for bringing Jordan back into the studio world of dance to compete and to Rashell and Angie for bringing Jordan into the instructor family. She loves to create, choreograph, and express herself through dance.

**Tory Miller**

Tory has been dancing since he was 5 years old. He took a short break to pursue football when he was 6, but his love for dance brought him back to what he loves most, DANCING!!

Tory has always been the kid putting on a show at all the family functions, and some family members would even pay him for his performances. Once Tory hits that stage, his alter ego appears, and he commands the stage, and you can truly feel his passion for dance.

Tory has a talent for connecting with younger kids and has been a teacher's assistant during his time at NuEvolution. He is an amazing young man that is patient, caring, and always eager to help!

His parents are incredibly proud of the young man he has become. He is a great big brother to his sister Madi and brother H2 and has a pure gold heart with a bright smile that goes along with it.

Tory has decided that he wants to travel the world and has decided to become a flight attendant. Tory has been traveling the world since he was 4 years old, and it sparked a flame in him to want to continue to explore what the world has to offer, and we cannot wait to hear what adventures are in store for him.

# Class Of 2023 Senior

**Emma Sullivan**

Emma has been dancing since the week she turned 3 with her very first teacher, Miss Angie. At the time, it was called Jeanne's. Each week, Emma was bursting with joy to put on her ballet shoes and dance with Miss Angie. And, every week, once it came time to enter class, Emma would become fearful and cry. Miss Angie would hold her and get her to laugh and by the end of each class, Emma was doing her baby pliés with a huge smile! Emma has been dancing in the same building, now NuEvolution, for 15 years without a pause. Emma has grown up within those walls and with the beautiful dance family she became a huge part of.

At the age of 8 she joined Arizona Youth Ballet and is celebrating her 10th and final year with their ballet company. Emma also trained individually with Christina Hampton throughout those years. She has enjoyed so many roles over the years including Snow Queen Pas Deux, Sugar Plum Fairy, and upcoming Fairy Godmother. Emma added NuEvolution Dance Company into the mix this past year and received high awards for her duet and ballet solo. Emma has danced all kinds of genres, but her passion and what fills her soul is ballet!

Emma will graduate from Higley High School. She is proudly dyslexic and earned an academic scholarship to NAU! She will be attending this fall and is excited about pursuing her teaching degree in hopes of helping dyslexic students succeed as she has. She is passionate about helping others and we could not be prouder of the amazing person she chooses to be in every aspect of her life! Emma has a beautiful heart, and it shows in her daily life, and it sparkles and shines when she is dancing! Thank you to our beloved Miss Angie, whom it all started with, and to the entire dance family at NuEvolution! We will miss you!
