Class Of 2025 *Senior*

Amber Bowcott

Amber didn't start dancing until she was in middle school. Once she tried it, she discovered she loved it! She was so excited to find NuEvolution Dance Studio when we moved to Queen Creek 4 years ago and has very much enjoyed her time with the studio.

When she's not dancing or studying Amber works at a barn, training horses and giving lessons. In her spare time she enjoys working with her own horse, trail riding, caring for her reptile collection, going to the gym, running, working on her beloved Ford Mustang Rebel, and spending time with family and friends!

After graduating this May from Crismon high school and EVIT Aviation, Amber will be joining the Air Force and training as an aircraft mechanic!

I'm not only proud of her, I am impressed, by her drive, passion and work ethic. I know she will go far and do amazing things!

Congratulations Amber, we love you!

Tatum Reynolds

Tatum is graduating High School as a homeschool student as well as finishing her 2 year course at EVIT School of Cosmetology.

Tatum began dancing at 2 years old and has been with NuEvolution since 2015. She has been part of NuEvolution Company for 4 years. She has enjoyed learning many different styles of dance through the years, but her favorites are Lyrical and Contemporary and she danced for AZ Youth Ballet for two years. A favorite highlight of Tatum's dance career was winning the National Photogenic Model Search and getting to travel to NYC and New Jersey for 2024 Groove Merchandise Photoshoot.

Outside of Dance, Tatum has built a successful babysitting business that keeps her very busy. After graduation, she plans to continue growing her business and begin her Cosmetology career where she will specialize in Extensions and Blonding.

Tatum has loved the friends she has made during her dance career and will especially miss the friendships with the young dancers that she has had the opportunity to teach and mentor over the years.
