A Few Other Reminders

For your convenience, we have sizing kits at both studios for all dance shoes and leotards to ensure you order the correct size.

We sell water for \$1 if your dancer forgets theirs. Reminder: only water is permitted in the dance studios.

Please only wear your dance shoes in the studio and NEVER outside. This helps protect our marley dance floors.

Our online dance store carries tights, ballet shoes, and jazz shoes in several skin-tone shades, and we have sample colors at the studio.
